

Platinum Landlord Package – Saving your customers money!

Do your Landlord customers want a high level of coverage in a convenient package? How about if we throw in a discount?
Welcome to the Foremost® Platinum Landlord Package!

At Foremost, we know that specialty property insurance isn't a one-size-fits all world, and there's no such thing as a "typical" landlord. Your customers can customize their policies, adding optional endorsements and changing limits to their hearts' content, but some Landlords don't want to tinker – they just want a high level of coverage, and the peace of mind that comes from knowing that it was designed with them in mind.

That's why we provide your customers the choice of adding the Platinum Package. When a customer adds the Platinum Package, they get a discount on the premiums for Coverages A and C. It's great coverage, it's easy to add, and it saves your customers money.

What's the Platinum Package all about?
