

# FOREMOST QUICK FACTS: MOTOR HOME

Independent agents who quote and sell Foremost® Motor Home protect their customers' automobile rates and have high customer retention!

## HIGHLIGHTS THAT MAKE US STAND OUT:

### Total Loss Replacement coverage

Protects customers from the effects of depreciation. In the event that a new-model motor home is damaged beyond repair within its first five model years, and it is still owned by the original owner, we'll pay to replace it with a brand new one of similar kind and quality.

This option can save customers thousands of dollars!

### TravelLine® Towing and Roadside Assistance

Eliminates the hassle of buying a separate towing plan. This valuable service is available 24 hours a day, 365 days a year throughout the United States and Canada.

### Full-Timer coverage

Provides liability protection very similar to a homeowners policy when the motor home is parked and being used as a residence.

**Personal Property coverage** applies to personal property loss that occurs either inside or outside the motor home. Both ACV and Replacement Cost are available. Pet coverage also an option!

### Diminishing Deductible

Included without any premium charge. For each consecutive year the motor home is insured by Foremost without a paid loss, we will reduce the deductible by 25%. Foremost renewal customers may have consecutive loss free policy years, so deductibles might be diminished already.

### Campsite/Vacation Liability coverage

Provides coverage when the motor home is parked and being used as a secondary residence.

### Emergency Expenses coverage

Pays for lodging or travel home if the motor home is damaged by a covered loss more than 50 miles from home.
