Independent Agents who quote Foremost for watercraft coverage close more than 39% of the time.

HIGHLIGHTS THAT MAKE US STAND OUT:

Coverage for Most Boat Types

With binding authority on watercraft up to 35 feet and \$175,000 in value, we cover over 95% of the boat market! Our highest conversion rate segments include: Pontoon, Personal Watercraft (PWC), Fishing, Utility, and Runabout/Wake boats.

Extensive Package Offerings

More choices for more people! Customers can choose a low-cost Saver package, a value-packed Plus package, or the Elite package with all the bells and whistles. We also offer specialized packages for Personal Watercraft, Pontoons, Classics, and Performance boats.

Replacement Cost Personal Property

Personal Property losses are paid at full replacement cost with no depreciation applied. Unlike other carriers, we don't exclude fishing equipment or charge a separate premium. There are no sub-limits and the coverage has a low \$100 deductible.

Specialized Claims Service

Foremost has a dedicated and specialized Marine claims team who've been fully trained on a wide variety of boats and claim scenarios. They use their marine industry knowledge to work with the customer to estimate damages and work with the customer's repair shop. Our passion is customer service and delivering a positive claims experience is our goal.
